

# ONLINE PATIENT RESOURCES

Here is a list of organizations and patient advocacy groups that can help you learn more about many GI conditions and related diseases and connect you with additional resources and support.

## **International Foundation for Gastrointestinal Disorders | [IFFGD.org](http://IFFGD.org)**

The mission of the International Foundation for Gastrointestinal Disorders (IFFGD) is to inform, assist, and support people affected by gastrointestinal (GI) disorders.

## **Colorectal Cancer Alliance | [CCAlliance.org](http://CCAlliance.org)**

The mission of the Colorectal Cancer Alliance is to empower a nation of allies to provide support for patients and families, caregivers, and survivors; to raise awareness of preventive measures; and inspire efforts to fund critical research.

## **Crohn's & Colitis Foundation | [crohnscolitisfoundation.org](http://crohnscolitisfoundation.org)**

The Crohn's & Colitis Foundation is a non-profit, volunteer-fueled organization dedicated to finding cures for Crohn's disease and ulcerative colitis, and improving the quality of life of children and adults affected by these diseases.

## **Digestive Disease National Coalition | [ddnc.org](http://ddnc.org)**

The Digestive Disease National Coalition (DDNC) is an advocacy organization comprised of the major national voluntary and professional societies concerned with digestive diseases. The DDNC focuses on improving public policy and increasing public awareness with respect to diseases of the digestive system.

## **US Pain Foundation | [uspainfoundation.org](http://uspainfoundation.org)**

The mission of U.S. Pain Foundation is to empower, educate, connect, and advocate for people living with chronic conditions that cause pain. As a 501(c)(3) organization dedicated to serving those who live with pain conditions and their care providers, U.S. Pain Foundation helps individuals find resources and inspiration.
